**WASTE WATER COMPLIANCE TRAINING:**

**CAPACITY BUILDING OF PHILIPPINE SMES**

**January 15-16, 2018, Taguig City**

The Philippine Chamber of Commerce and Industry (PCCI) Environment and Climate Change Committee, in cooperation with the German-Philippine Chamber of Commerce and Industry, is organizing the Waste Water Compliance Training: Capacity Building of Philippine SMEs.

This training for NCR is scheduled on January 15-16, 2018 at the PCCI BA Securities Hall, 3/F Commerce and Industry Plaza, 1030 Campus Avenue corner Park Avenue, McKinley Hill, Taguig City.

The training will be a good venue to better understand DENR Department Administrative Order No. 2016-08: Water Quality Guidelines and General Effluent Standards, learn possible waste water solutions from a German and Philippine experts and share experiences regarding compliance and laws in relation to wastewater management.

Priority participants are small and medium-sized enterprises who wants to fully comply with DAO 2016-08.

Registration fee for this training has been waived. However, participants are requested to shoulder their transportation expenses to and from the venue and accommodation, if needed. Target number of participants is 30.

**Registration is on a first come first served basis. Kindly accomplish the Online Pre-registration Form on or before 09 January 2018.** The online Pre-registration form can be accessed through this link <https://tinyurl.com/wastewatercompliance>. You may also confirm your attendance by sending the registration form to the PCCI Secretariat:

Fax no. (632) 846-8619
